

KUB Tree Trim Policy Review Panel Interest Form

KUB is establishing a citizen panel of 15 individuals to perform a comprehensive review of our tree-trimming program and make recommendations on ways to improve it. The panel will represent a diversity of viewpoints and experience to help us with this review. The anticipated time commitment is for a term of six months or less, with a meeting schedule to be determined. Meetings will be open to the public. The first meeting has been tentatively scheduled as a half-day session on January 22.
